

HOT WATER YOUR WAY
HAS NEVER BEEN EASIER

NEW

EZiSET[®]

You're in control

Set your ideal water temperature and bath level with the new Rheem EZiSET[®] in two easy steps.

1. Ask your plumber/gasfitter to install the EZiSET[®] control module.
2. Download the free EZiSET[®] app and you're in control.

STEADY, HOT & STRONG

INSTALL A RHEEM[™]

INSTALLATION IS A SIMPLE PLUG-N-PLAY PROCESS

REQUIREMENTS

- Rheem EZiSET® kit (052310)
- One of the Continuous Flow Models below
Rheem 16, 20, 26 & 27
(874816, 874820, 874826, 874627, 864627)
Suitable for Rheem 16-26 models manufactured since 2018, and all Rheem 27 models.
- Power point¹ within 1 metre of your home WiFi modem.
- An available Ethernet socket on your WiFi modem.
- Reliable home WiFi reception.
- iPhone 5 iOS 8.1/Android 4.0 or later (excluding iPhone 5C).

If your home has 3-phase power, both your Rheem water heater and the PLT adapter must be installed on the same phase.

1. INSTALLATION

(BY A QUALIFIED TRADESPERSON)

Rheem EZiSET® comes in a ready-to-install kit:

Control module

Simply installed into the Rheem Continuous Flow unit² by a qualified plumber/gasfitter.

PLT adapter

To plug into a power point and connect to the customer's WiFi modem via the Ethernet cable supplied.

2. DOWNLOAD THE FREE APP

Once installed, simply download the free Rheem EZiSET® app and you're in full control – it's that easy.

¹ If using a power board, ensure it is not surge protected.

² Suitable for Rheem 16-26 models manufactured since 2018, and all Rheem 27 models.

Max set temperature to be 55°C to ensure safe operations. Check that Rheem EZiSET® is suitable for your model Rheem water heater and your home before you purchase – refer to the Rheem EZiSET® brochure or visit www.rheem.co.nz

Rheem 3 year warranty on parts and labour.

A maximum of 10 apps per control module can be used.

App Store is a trademark of Apple Inc., Google Play and the Google Play logo are trademarks of Google LLC.
